Emergency Response Services Software

# Chemical Emergency Support You Can Depend On 24/7

Part of the VelocityEHS Safety Solution

Handling hazardous materials and ensuring compliance with global safety regulations can be daunting tasks.

Inadequate emergency response measures can lead to severe consequences, including regulatory penalties and life-threatening incidents. Maintaining up-to-date safety data sheets (SDSs) and ensuring immediate access during emergencies adds further strain.

VelocityEHS Emergency Response Services offer a comprehensive solution to these challenges. With services such as our 24-hour multilingual hotline, SDS emergency contact number, shipping compliance, exposure support, SDS rapid access, and more, your business gains the tools to efficiently manage hazardous materials and mitigate risks.

Core Services:

+ Shipping compliance
+ Emergency spill reporting
+ SDS inventory rapid access
+ Exposure support
+ Global language translation
+ Lithium battery shipper support
+ SDS emergency contact number
+ On-call toxicologists & medical staff
