

# Create a Standardized JSA Process That Works for You

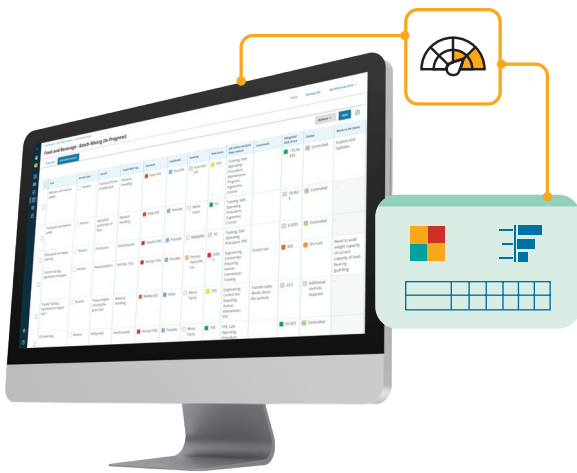

Part of the VelocityEHS Operational Risk Solution

**If you don't know the hazards your employees face in their daily tasks, how can you keep them safe? Performing JSAs, keeping them updated and sharing results with workers is essential.**

Efficiently manage the entire JSA process across locations to accurately identify hazards to your workers, easily verify controls and prevent dangerous and costly incidents from occurring.

**VelocityEHS Job Safety Analysis** software allows you to standardize and simplify this essential safety and risk management process to help you get more from much less effort.

### Core Capabilities:

- + Configurable JSA template
- + Hazard and control trending
- + Base control library
- + Risk reduction action items
- + Standardized worksheets
- + Auto-risk calculation

## Features & Benefits

VelocityEHS Job Safety Analysis helps you streamline the entire JSA process across locations.

- ✓ **Standardized JSA processes.**
  - + Reduce variability with a standardized JSA template configured to your organization's process
  - + Determine severity, likelihood, number of people involved and exposure
  - + Create a library of base controls with associated risk reduction factors
  - + Assign actions & automate notifications
- ✓ **Improved data accuracy & utilization.**
  - + Reduce data entry errors, create consistency, improve efficiency
  - + Identify trends in hazards and controls across all tasks and locations
  - + Auto-calculate risk score from entered hazards and risk reduction factors
  - + Get better insight into risk control strategy
- ✓ **Greater visibility & engagement.**
  - + Real-time status visibility of ongoing JSAs, hazard assessments and action items
  - + Customize dashboards to display specific safety metrics
  - + Boost collaboration with unlimited users and worksheets

What's your biggest challenge?

# The VelocityEHS Team is Ready to Help You Succeed

## VelocityEHS is your launchpad for operational excellence.

Leveraging AI and industry-leading expertise, Velocity ignites employee engagement, streamlines workflows, and elevates your strategy with data-driven insights.

Find out how easy your job can be when you're backed by an intelligent platform and a team of certified experts passionate about your success.

### We have everything you need in one place:

- ✓ Expert solutions
- ✓ Automated workflows
- ✓ API & data access
- ✓ Best-in-class capabilities
- ✓ Native cloud software
- ✓ Mobile-friendly
