

# Align Your ESG Strategy and Build Trust Globally

Part of the VelocityEHS ESG Solution

## Global enterprises struggle to align their ESG strategy and goals effectively, often facing challenges in managing risks and transparency across diverse supply chains.

Without a robust framework for ESG materiality assessments, you may fail to identify critical risks and opportunities, risking non-compliance and missed strategic advantages.

**VelocityEHS Materiality Assessments** software helps you enhance your ESG initiatives and effortlessly align your stakeholders. The integrated SASB & GRI-aligned surveys, powerful survey analysis, auto-generated materiality matrices, and more, empower your enterprise to turn ESG challenges into strategic successes.

### Core Capabilities:

- + Materiality assessment survey
- + Custom materiality matrix
- + Double materiality assessments
- + Rate/rank/prioritize issues
- + Investor-grade data
- + Auto-email reminders
- + Built-in SASB, GRI & CDP standards
- + Significance & control level assignments

## Features & Benefits

VelocityEHS Materiality Assessments helps you ensure complete transparency and alignment across your supply chain.
