VelocityEHS®

Training & Learning Software

Award-Winning, All-in-One Training Solution

Take out the repetition of training — delivering training that drives productivity, compliance and quality means implementing a program that evolves with your changing needs.

Developing course content and managing your workers' professional development paths can be a huge drain on your time and resources. Yet, training and learning is one critical program no global enterprise can afford to short-change.

VelocityEHS Training & Learning is a comprehensive cloud software solution designed to help you simplify training compliance and maximize your training program performance.

Core Capabilities:

+ Training management
+ Expert-designed training
+ 850+ micro-learning courses
+ Multiple languages
+ SCORM content import
+ eLearning dev tools
+ Learning management system (LMS)
+ Advanced reporting & analytics

Features & Benefits

VelocityEHS Training & Learning gives you an all-in-one system to build, coordinate, and track your training program.

✓ **Centralize and expand your training program.**

+ Easily track and manage learner profiles
+ Standardize training requirements across locations with detailed controls
+ Access training content anywhere, anytime from your tablet or smartphone
+ Send automated in-app user notifications

✓ **Build & deliver engaging content.**

+ Access a growing library of 850+ expert-reviewed micro-learning courses
+ Use built-in quizzes and in-app notifications to keep learners connected
+ Build your own custom course library with direct import of 3rd party SCORM content
+ Instantly convert PowerPoints into fully-interactive eLearning courses

✓ **Visualize program performance.**

+ View and track training status with an interactive dashboard display
+ Clearly communicate learners' training progress
+ Generate pre-built and custom reports and export data to 3rd party BI tools

VelocityEHS®

What's your biggest challenge?

The VelocityEHS Team is Ready to Help You Succeed

VelocityEHS is your launchpad for operational excellence.

Leveraging AI and industry-leading expertise, Velocity ignites employee engagement, streamlines workflows, and elevates your strategy with data-driven insights.

Find out how easy your job can be when you're backed by an intelligent platform and a team of certified experts passionate about your success.

We have everything you need in one place:

✓ Expert solutions
✓ Automated workflows
✓ API & data access
✓ Best-in-class capabilities
✓ Native cloud software
✓ Mobile-friendly

The Velocity Difference

Outstanding EHS & ESG Outcomes
Trust your people to deliver expert-level results against a range of tasks using software built by certified EHS professionals.

10M users worldwide
