- **Email: privacy@EHS.com**
- **Phone: 1-888-362-2007**
- **[Verifiable Consumer Request Form](#)**

For all requests, please clearly state that the request is related to “Your Privacy Rights,” indicate which type of request you are making, and provide your name, street address, city, state, zip code and an e-mail address or phone number where we may contact you. We are not responsible for notices that are not labeled or sent properly or that do not include complete information.

To appeal a decision regarding a consumer rights request, please submit your appeal using one of the three methods above. Your appeal should include an explanation of the reason you disagree with our decision. Within 60 days of receipt of an appeal, we will inform you in writing of any action taken or not taken in response to the appeal, including a written explanation of the reasons for the decisions.

Only you, or a person registered with the applicable Secretary of State that you authorize to act on your behalf, may make a verifiable consumer request related to personal information about you. You may also make a verifiable consumer request on behalf of your minor child.

You may only make such a request for access or data portability twice within a 12-month period. The verifiable consumer request must provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative, and describe your request with sufficient detail that allows us to properly understand, evaluate and respond to it.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you. Making a verifiable consumer request does not require you to create an account with us. We will only use personal information provided in a verifiable consumer request to verify the requestor’s identity or authority to make the request.

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing. We will deliver our written response electronically. Any disclosures we provide will only cover the 12-month period preceding the receipt of the verifiable consumer request. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide the personal information that is readily usable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.
